

## **Genia Grimes**

**MSN, APRN, PMHNP-BC**

Genia Grimes is a board certified Psychiatric Mental Health Nurse Practitioner. She graduated from Walden University and had a deep commitment to providing compassionate and comprehensive care to individuals struggling with mental health and substance use disorders. She believes that telehealth has the capacity to effectively reach a wider patient population, breaking down barriers and ensuring that quality care is accessible to all, regardless of geographical location or mobility constraints. Genia specializes in psychiatric illnesses including but not limited to addiction, depression, anxiety, PTSD, and ADHD. Her goal is to create an environment where patients and families feel safe and supported throughout their mental health and recovery journey.

In addition to reading, Genia enjoys spending time with her husband and family on their farm caring for rescue animals during her free time.
